

INTRODUCING

Star Scholars

A New Way to Recognize Student Excellence at MTI!

If you have an ACT score of 24 or higher and a high school GPA of 3.0, when you are accepted to an MTI program, you will receive **\$1,000** your first semester![†]

**Earn Up To
\$3,000!**

Enroll in one of MTI's Spotlight Programs (listed below) and turn your \$1,000 into \$2,000.

Your Star Scholar award will be applied to your first semester's tuition bill. If you successfully complete the first year of your Spotlight Program with a GPA of 2.5 or higher, you will get a second \$1,000 award for your second year.

Spotlight Programs:

- Automation Controls/SCADA
- Heating & Cooling Technology
- Medical Laboratory Technology
- Speech-Language Pathology Assistant
- Electrical Construction & Maintenance
- Information Systems Technology
- Precision Technology Specialist

Are you an MTI Legacy?

If your parent, step-parent, grandparent or sibling graduated from MTI, use your legacy status to earn up to \$1,000 to help with the cost of your education. Tell your Admissions representative about your family member and, upon verification, you will be awarded \$500 when you enter MTI. Complete the first year of a two-year program with a 2.5 GPA or higher and we will renew your award for another \$500 your second year![§]

Mitchell Technical Institute

www.mitchelltech.edu

[†]Must be accepted into a program at MTI. High school GPA calculated at the end of the senior fall semester. Scholarship will be awarded in the form of a tuition discount. One award per student up to \$2,000 total.

[§]One award per recipient. Family member must be a graduate according the MTI transcript database or currently enrolled as a full-time student. 2.5 GPA must be cumulative based upon two semesters (fall/spring) of freshman year. Combine both awards and be eligible for up to \$3,000.

*Ranked in the top 10% of America's two-year colleges by the Aspen Institute.
