Dakota Schaetz (11am) Thomas Gors (2pm) Mallory Bohr (5pm)

RECESSIONAL (Audience Stand)

Commencement Speaker

Lane Wesseling - Class of 2020
Business Management
Associate of Applied Science Degree

Lane graduated with honors from the Business Management program at Mitchell Tech in 2020 and was one of the final cohort of alumni from Mitchell Technical Institute. He served on the Student Representative Board (SRB) during both years at Mitchell Tech and was elected SRB president his second year. As president he spearheaded SRB's involvement in the Cozy Coats for the Community project.

Lane is a native of Plankinton, SD and a graduate of Plankinton High School. His Mitchell Tech Business Management degree has led him to a Technical Support Specialist position with Innovative Systems in Mitchell, SD. In his free time, Lane enjoys being outdoors, and when South Dakota weather cooperates, camping, hiking, and working on his photography business.

Lane has the same wish for the Class of 2021 as he did for his Class of 2020, "I wish you all the best in your future endeavors and that life treats you kindly. Most importantly, congratulations!"

Alumni Speaker

Amy Gough - Class of 2014
Administrative Office Specialist
Associate of Applied Science Degree

Graduating from Mitchell Technical College has become a family legacy for Amy's family. Not only did Amy graduate here, so did her husband and her son. When Amy began her program at Mitchell Tech, her goal after the first semester was to be able to work with this organization. She looked for classes and opportunities to help herself fit within the organization. She became a student ambassador, strived to be an honor student, and received the spirit award at Mitchell Tech.

All of her hard work paid off as Amy began working at MTC the summer of 2016. She enjoys the opportunity to be creative, build lasting relationships, and work with a great team of people.

Associate of Applied Science: a two-year degree with technical and general education coursework to promote entry into a specific career.

Diploma: a one-year achievement demonstrating completion of a field-specific course of study for entry into the workforce.

Build Dakota Scholarship

Build Dakota Scholar

Awarded to students entering high-need workforce programs. These full-ride scholarships support all program expenses. Scholarship recipients commit to living and working in South Dakota, in their field of study, for three years following graduation.

Honor Graduates

Gold Cords

** High Honors 3.75 - 4.00 GPA

Silver Cords

* Honors 3.50 - 3.74 GPA

Calculated using a cumulative GPA through the end of the 2020-21 Fall semester for the Associate of Applied Science degrees only.

Energy Production & Transmission

Jerry Ehlke - Division Leader

Electrical Utilities & Substation Technology

Associate of Applied Science

* Zachary David Bain	Sioux Falls, SD
Landon Charles Huls	Mitchell, SD
** Dakota Schaetz	Wisconsin Rapids, WI
Kain A. Sherman	Gillette, WY

Natural Gas Technology

Diploma

Brian David Roose	Sioux Falls, SD
