HAZING

MTC 120

Purpose

The purpose of the hazing policy at Mitchell Technica College is to promote a safe, respectful environment for all students and employees and to prohibit any practice that endangers someone's mental or physical health. Hazing activities of any type are contrary to the mission and vision of MTC and are prohibited.

General Statement of Policy

Hazing in any form is strictly prohibited at Mitchell Technical College and this policy applies to all students, employees, guests, and visitors of MTC. Acts of hazing undermine the integrity of the collegiate experience and are unacceptable in any context.

Incidents of hazing, including knowledge or having received notification of a hazing incident, is to be reported to the Director of Student Success, the Vice President for Academic Affairs, or the President. MTC will follow approved board policies and procedures in the catalog and student handbook for handling complaints.

To raise awareness and prevent hazing, MTC will provide opportunities for students and employees to understand the impact of hazing and educate about strategies to prevent hazing.
