SMOKE FREE SCHOOLS

MTC 518

The negative effects of tobacco, smoking, and vaping on users and those exposed to environmental smoke are well documented. Mitchell Technical College is committed to encouraging healthy living styles and healthy working environments. Because of this commitment, the following policy will apply:

Mitchell Technical College will be tobacco and vape free in all buildings and vehicles. This includes all non-FDA regulated electronic nicotine delivery systems and devices. Tobacco, smoking, and vaping are prohibited except for in the designated areas.

5/24/21 – Added that tobacco, vaping, and use of non-FDA regulated electronic nicotine delivery systems and devices is prohibited. Minor wording updates made.
