

Commercial Driver's License (CDL) Test Preparation & Driver Training Course Information

Mitchell Technical College (MTC) offers Class A & Class B CDL test preparation and a driver skills training course as a fast-track, accelerated path to obtaining a Commercial Driver's License. This is not a professional truck driver training course. It is individualized CDL test preparation and behind-the-wheel skills training for candidates who are pursuing a CDL.

Mitchell Technical College Agrees To:

- Provide experienced MTC faculty for vehicle inspection training, safe and correct driving instruction, and equipment use per Entry-Level Driver Training (ELDT) requirements of the Federal Motor Carrier Safety Administration (FMCSA).
- Provide one-on-one behind-the-wheel range and public road training to prepare the participant for the South Dakota third-party driving exam.
- Provide the MTC truck and trailer equipment for driver training and third-party testing.
- Administer the South Dakota third-party driving exam — the exam fee is included in the cost.

The Participant Agrees To:

- Pass the Entry-Level Driver Training (ELDT) Theory course at eldt.com with a score of 80% or better and provide a copy of the certificate of completion and score.
- Hold a valid South Dakota Driver's License and South Dakota Commercial Learner's Permit (CLP).
- Be free of drugs and alcohol during all training and testing.
- Pay the expenses related to the training (*prices subject to change*):
 - \$1,200 for the Entry-Level Driver Training Behind-the-Wheel Skills course required by FMCSA
 - \$300 for the South Dakota third-party driving exam - includes MTC equipment use and exam fee

Course Cost & Deposit:

A \$1,500 deposit is required prior to training to reserve your training date. The deposit covers the Entry-Level Driver Training Behind-the-Wheel Skills course (\$1,200) and the South Dakota third-party driving exam (\$300), including MTC equipment use and exam fee.

Total course cost depends on behind-the-wheel driver skills training hours. Additional behind-the-wheel driver skills training hours are billed at \$300 per hour. Full course payment is required prior to the third-party driving exam. Deposit payment can be made over the phone by card or by check. A 3.5% transaction fee applies to card payments.
