FOUNDATION – DESIGNATION AS AGENT

MTI 461

The Mitchell Technical Institute Foundation is an incorporated, not-for-profit institution, organized for the sole purpose of benefiting Mitchell Technical Institute. It is the official agent of Mitchell Technical Institute for the purpose of soliciting, accepting, and holding all gifts to the Institute for the purpose of investment. These gifts are held in accounts according to the activities or objectives by the donor.

Governed by a volunteer board, its mission is to coordinate all private fundraising efforts undertaken on behalf of MTI, including the cultivation and solicitation of current and deferred gifts for both annual and capital projects, and to provide wise stewardship of all funds entrusted to it. The Foundation bridges relationships with alumni, friends, corporations and other foundations interested in academic excellence for the Institute.
