BUILDINGS AND GROUNDS INSPECTION

MTI 523

The President or designee will be responsible for the general safe operations of the buildings and grounds and will periodically assist in their inspection for safety hazards.

Whenever an inspection of the Department of Public Safety schedules a visit, the President or designee will assist in the inspection of school buildings and grounds for fire safety hazards.

Violations of fire protection laws and other safety hazards will be reported to the Buildings and Grounds Director or designee and corrected to ensure the well-being of all students, staff and the general public on school property.
