EQUAL EDUCATIONAL OPPORTUNITIES

MTI 1002

All students attending Mitchell Technical Institute will have equal educational opportunities. The Institute will not discriminate on the basis of race, color, ethnicity, creed, religion, age, gender, disability, military status, national origin or ancestry, marital status, pregnancy, actual or perceived sexual orientation, gender identity and expression, status with regard to public assistance, or any other status or condition protected by applicable federal or state law in its policies or programs.

To accomplish this policy on nondiscrimination, the Institute will make every effort to provide all students equal access with respect to admission or membership in school-sponsored organizations, clubs, or activities; access to facilities; distribution of funds; academic evaluations; or any other aspect of school-sponsored programs or activities.

The Institute recognizes, however, that in implementing this policy students vary widely in capabilities, interests, and social and economic background, and that no two students can be treated exactly alike if the fullest development of each is to be achieved.
