RIGHTS OF EMPLOYEES TO RUN FOR POLITICAL OFFICE

MTI 746

Mitchell Technical Institute recognizes that successful functioning of our democratic society depends upon each individual's acceptance of his or her responsibility for participation in politics and government. It also recognizes that the school district employees have a primary obligation for providing quality instruction to the students in the district. MTI does not restrict the political involvement of employees as per SDCL 13-43-15.1.

No provision within this policy shall interfere with any rights of employees under SDCL 13-43-15.1.
