

Higher Ed Articulation

Mitchell Technical College establishes and maintains articulation agreements with several other accredited colleges and universities, ensuring students a smooth transfer of course credit. Generally, transfer articulation is the alignment of MTC curriculum with other college and university courses and programs. This is accomplished through the process of developing ongoing communication and agreements between MTC and four-year postsecondary institutions. Coursework at MTC will transfer towards a specific four-year degree at the receiving university according to the articulation agreement.

Bellevue University

Bellevue, NE

All A.A.S. Programs

Students transferring with an A.A.S. degree from Mitchell Technical College will receive credit for all coursework in their degree program and will enter Bellevue University with junior status.

Dakota Wesleyan University

Mitchell, SD

All A.A.S. Programs

The agreement is designed to facilitate the transfer of Mitchell Technical College graduates of Associate of Applied Science degree programs into a baccalaureate program at Dakota Wesleyan University. To be eligible, students must graduate with an Associate of Applied Science degree and earn a minimum cumulative grade point average (GPA) of 2.00. It must be noted that certain Dakota Wesleyan programs have specific GPA requirements that may differ from the minimum 2.00 GPA needed for university acceptance. A maximum of 63 credits will be accepted and counted toward the baccalaureate degree. DWU has determined that only courses in which a final grade of C- or higher will be accepted and counted toward the baccalaureate degree.

Accounting A.A.S.

The agreement formalizes the transfer of credits from the Accounting A.A.S. degree from Mitchell Technical College to the Accounting B.S. Degree from Dakota Wesleyan University. DWU will grant credit for 60 credit hours toward the B.S. degree, including 11 upper level credits toward the required 30 upper level credits for the B.S. degree.

Human Services Technician A.A.S.

The agreement formalizes the transfer of credits from the Human Services Technician A.A.S. degree from Mitchell Technical College to the Criminal Justice B.A. degree from Dakota Wesleyan University. DWU will grant credit for 60 credit hours towards the B.A. degree, including 11 upper level credits toward the require 30 upper level credits for the B.A. degree.

The agreement formalizes the transfer of credits from the Human Services Technician A.A.S. degree from Mitchell Technical College to the Nonprofit Administration B.A. degree from Dakota Wesleyan University. DWU will grant credit for 60 credit hours towards the B.A. degree, including 11 upper level credits toward the require 30 upper level credits for the B.A. degree.

The agreement formalizes the transfer of credits from the Human Services Technician A.A.S. degree from Mitchell Technical College to Psychology B.A. degree from Dakota Wesleyan University. DWU will grant credit for 60 credit hours towards the B.A. degree, including 11 upper level credits toward the require 42 upper level credits for the B.A. degree.

National American University

Rapid City, SD

All A.A.S. and Diploma Programs

National American University will admit graduates of Mitchell Technical College's certificate, diploma, and associate degree programs into the following B.S. degree programs: Management, Information Technology, Healthcare Management, Organizational Leadership, Criminal Justice. Credits??

Presentation College

Aberdeen, SD

Business Management A.A.S.

Presentation College will accept 42 credits from the Mitchell Technical College Business Management AAS degree program to apply to Presentation College's Healthcare Administration Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 78 credits at Presentation College to complete the BS degree.

Licensed Practical Nursing Diploma

Presentation College will accept 25 credits from the Mitchell Technical College LPN Diploma program to apply to Presentation College's Bachelor of Science Nursing degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 96 credits at Presentation College to complete the BSN degree.

Medical Assistant A.A.S.

Presentation College will accept 47 credits from the Mitchell Technical College MA AAS degree program to apply to Presentation College's Healthcare Administration Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted

in transfer. Students will need to complete 73 credits at Presentation College to complete the BS degree.

Presentation College will accept 49 credits from the Mitchell Technical College MA AAS degree program to apply to Presentation College's Health Science Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 71 credits at Presentation College to complete the BS degree.

Medical Laboratory Technology A.A.S.

Presentation College will accept 47 credits from the Mitchell Technical College MLT AAS degree program to apply to Presentation College's Health Science Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 73 credits at Presentation College to complete the BS degree.

Medical Office Professional A.A.S.

Presentation College will accept 50 credits from the Mitchell Technical College MOP AAS degree program to apply to Presentation College's Healthcare Administration Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 70 credits at Presentation College to complete the BS degree.

Presentation College will accept 49 credits from the Mitchell Technical College MOP AAS degree program to apply to Presentation College's Health Science Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 71 credits at Presentation College to complete the BS degree.

Radiologic Technology A.A.S.

Presentation College will accept 43 credits from the Mitchell Technical College Rad Tech AAS degree program to apply to Presentation College's Health Science Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 77 credits at Presentation College to complete the BS degree.

Presentation College will accept 75 credits from the Mitchell Technical College Rad Tech AAS degree program to apply to Presentation College's Radiologic Technology (Completion) Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 45 credits at Presentation College to complete the BS degree.

Small Business Management Diploma

Presentation College will accept 36 credits from the Mitchell Technical College SBM Diploma program to apply to Presentation College's Healthcare Administration Bachelor of Science degree. Courses for which any grade lower than a C was earned will not be accepted in transfer. Students will need to complete 84 credits at Presentation College to complete the BS degree.

South Dakota State University

Brookings, SD

Agricultural Technology A.A.S.

SDSU will accept 51 credits from the A.A.S. degree in Agricultural Technology at Mitchell Technical College for students majoring in Agricultural Science. Students must have a cumulative GPA of 2.0 on a 4.0 scale. Additional transferable system general education credits may be earned at MTC, but no more than 60 credits total may be transferred from MTC to SDSU.

Architectural Design & Building Construction A.A.S.

SDSU will accept 19 technical credits from the A.A.S. degree in Architectural Design and Building Construction at Mitchell Technical College for students majoring in Construction Management. Students must successfully complete the A.A.S. degree in ADBC from MTC prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 19 technical course credits. General Education credits may be earned at MTC if equivalent courses are available.

Automation Controls/SCADA A.A.S.

Upon successful completion of 16 credits of the major requirements specified in the agreement, SDSU will accept 35 technical course credits from the A.A.S. degree in Automation Controls/SCADA from Mitchell Technical College for students majoring in Electronics Engineering Technology. Students must successfully complete the A.A.S. degree prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 35 technical course credits. Students transferring from MTC must have a cumulative GPA of a "C" (2.0 on a 4.0 scale) and no course grade below a "C" (2.0 on a 4.0 scale).

Business Management A.A.S.

SDSU will accept 21 technical credits from the A.A.S. degree in Business Management at Mitchell Technical College for students majoring in Operations Management. Students must successfully complete the A.A.S. degree in Business Management from MTC prior to transferring to SDSU for the block transfer course credits to be accepted. Additional transferable system general education credits may be earned at MTC, but no more than 60 credits total may be transferred from MTC to SDSU.

Precision Ag Technology A.A.S.

SDSU will accept 41 technical course credits from the A.A.S. degree in Precision Ag Technology from Mitchell Technical College for students majoring in Precision Agriculture. Students must successfully complete the A.A.S. degree prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 41 technical course credits. Students transferring from MTC must have a cumulative GPA of a "C" (2.0 on a 4.0 scale).

Telecommunications (Wi-Fi and Broadband Technologies) A.A.S.

Upon successful completion of 17 credits of the major requirements specified in the agreement, SDSU will accept 34 technical course credits from the A.A.S. degree in Telecommunications from Mitchell Technical College for students majoring in Electronics Engineering Technology. Students must successfully complete the A.A.S. degree prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 34 technical course credits. Students transferring from MTC must have a cumulative GPA of a "C" (2.0 on a 4.0 scale) and no course grade below a "C" (2.0 on a 4.0 scale).

Welding & Manufacturing Technology A.A.S.

Upon successful completion of 33 credits of the major requirements specified in the agreement, SDSU will accept 25 technical course credits from the A.A.S. degree in Welding and Manufacturing Technology from Mitchell Technical College for students majoring in Operations Management. Students must successfully complete the A.A.S. degree prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 25 technical course credits. Students transferring from MTC must have a cumulative GPA of a "C" (2.0 on a 4.0 scale) and no course grade below a "C" (2.0 on a 4.0 scale).

Wind Turbine Technology A.A.S.

Upon successful completion of 21 credits of the major requirements specified in the agreement, SDSU will accept 30 technical course credits from the A.A.S. degree in Wind Turbine Technology from Mitchell Technical College for students majoring in Electronics Engineering Technology. Students must successfully complete the A.A.S. degree prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 30 technical course credits. Students transferring from MTC must have a cumulative GPA of a "C" (2.0 on a 4.0 scale) and no course grade below a "C" (2.0 on a 4.0 scale).

Upon successful completion of 25 credits of the major requirements specified in the agreement, SDSU will accept 32 technical course credits from the A.A.S. degree in Wind Turbine Technology from Mitchell Technical College for students majoring in Operations

Management – Electronics emphasis. Students must successfully complete the A.A.S. degree prior to transferring to SDSU for the block transfer course credits to be accepted. General Education coursework is in addition to the 32 technical course credits. Students transferring from MTC must have a cumulative GPA of a "C" (2.0 on a 4.0 scale) and no course grade below a "C" (2.0 on a 4.0 scale).

All A.A.S. Programs

Students who have earned any A.A.S. degree from Mitchell Technical College will receive a minimum of 60 credits towards the Bachelor of Science degree in Technical Leadership at USD. To complete the Technical Leadership degree, students will need to complete general education requirements not taken at MTC; a minimum of 12 credits in a selected emphasis area (personnel supervision, communication and leadership, regulatory affairs and laboratory safety, project management, small business entrepreneurship, health sciences leadership and web design); a required capstone or internship course; and a minimum of 30 credit hours of upper division coursework.

Human Services Technician A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Human Services Technician degree at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the A.A.S. degree in Human Services Technician. Students must successfully complete the A.A.S. degree in Human Services Technician from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.

Medical Assistant A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Medical Assistant degree at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the A.A.S. degree in Medical Assistant. Students must successfully complete the A.A.S. degree in Medical Assistant from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.

Medical Laboratory Technology A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Medical Laboratory Technology degree at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the

A.A.S. degree in Medical Laboratory Technology. Students must successfully complete the A.A.S. degree in Medical Laboratory Technology from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.

Medical Office Professional A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Medical Office Professional degree at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the A.A.S. degree in Medical Office Professional. Students must successfully complete the A.A.S. degree in Medical Office Professional from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.

Radiation Therapy A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Radiation Therapy degree at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the A.A.S. degree in Radiation Therapy. Students must successfully complete the A.A.S. degree in Radiation Therapy from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.

Radiologic Technology A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Radiologic Technology degree at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the A.A.S. degree in Radiologic Technology. Students must successfully complete the A.A.S. degree in Radiologic Technology from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.

Speech-Language Pathology Assistant A.A.S.

Upon successful completion of the requirements of the A.A.S. degree in Speech-Language Pathology Assistant, students may transfer to USD to complete the B.A. or B.S. in Communication Sciences and Disorders. If all credits are completed at MTI while successfully completing the SLPA program a total of 65 credit hours may transfer. Students will complete the remaining requirements for the Communication Sciences and Disorders major and any other general education or elective requirements that remain unsatisfied. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree. Students who complete the A.A.S. degree in Speech-Language Pathology Assistant are not required to complete a minor.

Upon successful completion of the requirements of the A.A.S. degree in Speech-Language Pathology Assistant at MTI, students may transfer to USD to complete the B.S. in Health Sciences. At that time, USD will accept a block of up to 49 technical course credits from the A.A.S. degree in Speech-Language Pathology Assistant. Students must successfully complete the A.A.S. degree in Speech-Language Pathology Assistant from MTI prior to transferring to USD for the technical course credits to be accepted. Transferable general education coursework in addition to up to 49 technical course block credits will be accepted.
