## Registrar Offers End-of-Year Reminders

Students both graduating and planning to return next year should be aware of several things to keep you on track.

If you are returning, please make sure you are registered for everything you need. Check your advising worksheet to make sure you are on track. Don't forget to register for your general education classes. They are part of your program requirements, too. Check your schedule on MyMTI over the summer for any updates on class times and room changes. Some of our classes are only offered once a year. You don't want to miss out or it could impact when you graduate.

Graduation is May 10 at 5:00 pm at the Corn Palace. Final grades will be posted to MyMTI after May 14. Grade reports are not mailed out; you can print a grade report from MyMTI.

Diplomas for May graduates will be mailed out by the end of June. If you have a Business Office hold, your diploma will be held until you have paid in full. Official transcripts can be ordered from the website under the academic tab.

## Eagle Feather Ceremony Planned

MTI students of Native American descent will be honored with a traditional Eagle Feather Ceremony today, Thursday, May 9, at 5:00 PM, in the Tech Center Amphitheatre. There will be several special features to the event including the placement of a tipi near the building and traditional food.

All students are invited to come to the ceremony to honor your peers. See Scott Fossum in the Center for Student Success for more information.

TECH TREK is a bi-weekly publication put out by the Marketing Office. Distributed on alternate Thursdays during the school year, deadline for submission of articles is the Wednesday before publication at 10:00 AM. Articles may be emailed to julie.brookbank@mitchelltech.edu. Let us know how we can serve you!

Unofficial transcripts can be printed from MyMTI.

Summer semester starts May 20. Check MyMTI for specifics on your course dates. Some classes run all summer, other run for half the summer. Midterm, drop/add, and withdraw dates will depend on how long your course runs. All of this information is available in MyMTI. If you have questions regarding dates, please talk to your instructor.

For those of you returning this fall, have a great summer and we will see you on August 22. Best wishes to those of you moving on, and for those of you returning, we are glad to have you back next semester!

## Career Services Continue After Graduation

The Career Services Office is still here for you even after you graduate. If you are having difficulties or experiencing frustration with your job search, please feel free to reach out for assistance. I will be happy to help in any way.

Remember to periodically browse the MTI website for current job postings submitted by employers. Select the Employer Resources tab on the MTI website and "For Students" to view the job listings.

As you may recall from the Exit Counseling sessions, that in early November, I will be emailing and/or texting you a link for one last update on what career path you chose after graduation. The data is summarized by program and used for several purposes, but most importantly, the results help MTI prove that we do "provide skills for success in technical careers"! It will only take a couple of minutes to complete.

## Graduation Plans in Place

Mitchell Technical Institute's graduation is scheduled for Friday, May 10, at 5:00 PM, at the Corn Palace.

All students graduating are urged to participate in the ceremony. A rehearsal for those planning to participate will be held that same day at 11:00 AM.

The MTI Bookstore has caps and gowns in stock for purchase. You must have a black cap and gown to participate in the ceremony. Honor cords will be distributed to graduates by faculty members before the ceremony and are yours to keep.

Once again this year, professional photos will be taken at the ceremony. No sign-up or order forms will be issued. You will be notified via email of an on-line post in the weeks following graduation.

There are no tickets or reserved seats. Families are urged to arrive early to get seats. For more information, contact the MTI Communications office.
