

# Farm/Ranch Financial Foundations Course

FSA Borrower Training

(Tuesday), September 3<sup>rd</sup>, (Mondays) September 9, 16, 23, 30  
6-10 pm each session

The South Dakota Center for Farm/Ranch Management is offering a 5-week training to focus on the financial management principals necessary to run a successful ranching or farming operation. This course provides the fundamental financial knowledge necessary to be successful in production agriculture. It is designed for the Farmer/Rancher who has been operating less than 10 years or those who require Borrower Training for FSA loans.

Topics include:

- Goal Setting
- Financial Statements and Ratios
- Record Keeping Systems
- Cash Flow Projections
- Risk Management/Marketing
- Crop and Livestock Production Trends
- Income Tax Management
- Business Structure/Estate Planning

Participants successfully completing the course will meet requirements for FSA loan purposes as well as receiving 2-credit hours and a certificate of completion from Mitchell Technical Institute. Course Cost is \$550.00, light meals will be provided at each session.

All classes will be held from 6-10 pm at **University Center Rm #125**  
4300 Cheyenne Blvd Rapid City, SD 57709. (Exit 61 off I-90)
