 Jennifer.Schultz@mitchelltech.edu

*Requirements for Speech-Language Pathology Assistants (SLPAs) vary from state-to-state. MTI will contact state credentialing agencies to determine whether our coursework will meet your state’s requirements. Please contact program director Jennifer Schultz to discuss your state’s requirements. MTI strongly encourages prospective students to verify that MTI’s coursework will meet their state’s requirements. The American Speech-Language-Hearing Association website has information regarding state requirements on their website at <http://www.asha.org/advocacy/state/info/>.

**Must complete a minimum of 25 hours of observation of speech-language pathology services prior to enrolling in Clinical Fieldwork.
