	Explain changes in the assessments used in your program since your last review (include input received and rationale)	Since our last review we have not changed our assessment forms
INDUSTRY CERTIFICATIONS	Explain any changes made or planned in the program based on assessment of industry certifications used in the program.	NA
INTERNSHIPS/ CLINICALS	How do you evaluate program competencies or learning objectives during internship/externship experiences?	The internship supervisor completes a performance evaluation instrument on each individual intern. Students are also required to submit a paper documenting their intern experience and relating those experiences to what they have learned in the classroom. Students also submit a journal documenting the daily specific job responsibilities at their internships. Instructors will visit the students on site at least once.
	As you reviewed results of internship/externship evaluations, what curriculum changes were made or are planned in your program?	No changes have been made
